"When I Am Queen"

Visit "[When I Am Queen](#)" on MotoLyrics.com

When I am queen I will insist with perfect scars upon
my wrists
that everything you once held dear is taken away from
you

When I am queen sweet girlscout's face and not a one
will fall from grace
If all their hearts I could replace, but until then I'll have
to...

Drown drown drown myself
Drown drown drown myself
Drown drown drown myself
Drown

When I am queen on royal thrown made out of parts of
broken bones
of all the devils I have known that suck the angels dry

When I am queen I'll have my way I'll make it drowning
dollie day
and all the tears that we have cried will suck back in our
eyes

Drown drown drown myself
Drown drown drown myself
Drown drown drown myself

Drown

Drown drown drown myself
Drown drown drown myself
Drown drown drown myself
Drown

Hush baby hush baby
Hush baby go to sleep
Hush baby hush baby
Hush baby I'll make it be

When I am queen I will not wait my body type will still be
great

I will not leave it up to fate because I hate you too

When I am queen they all will see the patron saint of
self-injury
the glitter sores will heal themselves I'll play the part of
someone else

Drown drown drown myself
Drown drown drown myself
Drown drown drown myself
Drown

Drown drown drown myself
Drown drown drown myself
Drown drown drown myself
Drown
