There's a boat sailing out there to an island no one's
aware of
We can go together and take to the sea
Sail with me
Sail with me

Every road leads us to somewhere and every turn bring
us closer to home
Being alone doesn't mean that you're free so come
with me
Ooh
Ooh
Come with me
Come with me
Come with me

Every face is there to be looked at
Every word is there to be heard
Don't believe in all that you see
Just believe
Believe in me
Believe in me
Sing with me
Sing with me
Yeah

Sing with me
Sing with me
Sing with me
Yeah
Ooh
Oh
Oh

There's a note waiting out there for a song no one's
aware of
No one's aware of
No one's aware
