Seperated, and negated, it seems fated, we have to find out more.

do you want me tell me properly, or just stop me its you that i adore.

i can't wait for another second minute or hour
i can't wait it's all your choice it's in your power
i can't wait for another second minute or hour
i can't wait it's all your choice it's in your power.

i lost my head when i found my heart
but now with neither i've fallen all apart
with this voice and chord i'll tell you from the start
she never wanted me, she never wanted me.

i act stupid, due to cupid, my love's rooted, you'll have to dig down deep,
mixed emotion, fixed devotion, your magic potion you sprinkle as i sleep.

i can't wait for another second minute or hour
i can't wait it's all your choice it's in your power

i can't wait for another second minute or hour
i can't wait it's all your choice it's in your power.

i lost my head when i found my heart
but now with neither i've fallen all apart
with this voice and chord i'll tell you from the start
she never wanted me, she never wanted me, she never wanted me.

with you i can't imagine being alone
without you i can see how much i've grown
coz you made me what i am today
have you gave me all that i can take

i lost my head when i found my heart
but now with neither i've fallen all apart
with this voice and chord i'll tell you from the start
she never wanted me, she never wanted me, she never wanted me, she never wanted me
