I dont wanna hear, what you have to say
I've heard it all before, every single phrase
wipe away the tears, drowning out my days
give me back the years, that you took away

Oh, believe me when I tell you that its over
I'm never coming back this way again.
I'm getting wiser, getting older
so I'm walking away, I'm walking away!
I'll forgive and i'll forget
for the last time
for the last time
and I'll take what I can get, oh
for the last time
for the last time

I dont wanna know, what you're doing here
there's nothing you can do, not afraid of fear
I've seen it all before, the bruises on my bones
the hero in this war, is gunna make it home

Oh, believe me when i tell you that it's over
there are just some things that time can't erase
I'm getting tired of looking back over my shoulder
so, i'm walking away, I'm walking away
I'll forgive and I'll forget
for the last time
for the last time
and I'll take what I can get, oh
for the last time
for the last time

I'm walking away
yeahhh, yeah, yeah, yeah
ooohhhh
ohhh

I'll forgive and I'll forget
for the last time
for the last time
and i'll take what I can get, oh

for the last time
for the last time
say it now
I'll forgive and I'll forget, oh
for the last time
for the last time
and I'll take what I can get, oh
for the last time
for the last time
I'm walking away
