it was half past nothing on a nowhere ...
and i had no one to love, i had no one to fight so i took
a walk down bad news avenue
i had a heart full of burden and a head full of booze, i
had nothing to gain, i had nothing to lose, so i stepped
inside the tavern and began to play
bad news bad news. I'm talking to you
i don't know your name, but i would love tooooo
did seem to hear a knock knock, who's out there at my
door?
i heard a knock knock, think she s back for more
well i woke up in the morning with the bad old hair, i
had poison in my pocket and a body in my bed, if you
can get it with small change (i might as well be free)?
well sun came out and the shit went down, i went
looking for the g... in the lost and found and it s when i
saw you smiling back at me.
bad news bad news. I'm talking to you child
i don't know your name, but i would love tooooo
did seem to hear a knock knock, who's out there at my
door?
i heard a knock knock, think she s back for more
i heard a knock knock, who's out there at my door?
i heard a knock knock, think she s back for more
