There's a boat
Sailing out there
To an island
No one's aware of
We can go
Together and take to the sea
Sail with me
Sail with me

Every road
Leads us to somewhere
And every turn brings us closer to home
Being alone
Doesn't mean that you're free
So come with me
Come with me
Come with me
Come with me

Every face...is there to be looked at

Every word...is there to be heard
Don't believe...in all that you see
Just believe
Believe in me
Believe in me
Sing with me
Sing with me

Sing with me...sing with me...sing with me

There is a note
Waiting out there
For a song
That no one's aware of
No one's aware of
No one's aware
