Has it always been hard for you  
Are you scared of the truth  
Is it always just right for you  
Cuz Im losing my mind  
Sittin here watchin you cry

Don't let the music die.  
We're playin songs from different times.  
I'll let you say goodbye  
On another day,  
But not today.  
On another day,  
But not today.

I am always the one to give  
And you call me a thief  
Say I'm stealin your time away  
I'm just waiting to see  
If you'll wait for me

Don't let the music die.  
We're playin songs from different times.  
I'll let you say goodbye  
On another day,  
But not today.  
On another day,  
But not today.

Dont let the music die.  
We're playin songs from different times.  
Ill let you say goodbye  
On another day,  
But not today.  
On another day,  
But not today.

Has it always been hard for you  
Are you scared of the truth  
Is it always just right for you  
Cuz Im losing my mind  
Sittin here watchin you cry

Don't let the music die.  
We're playin songs from different times.  
I'll let you say goodbye  
On another day,  
But not today.  
On another day,  
But not today.

I am always the one to give  
And you call me a thief  
Say I'm stealin your time away  
I'm just waiting to see  
If you'll wait for me

Don't let the music die.  
We're playin songs from different times.  
I'll let you say goodbye  
On another day,  
But not today.  
On another day,  
But not today.

Dont let the music die.  
We're playin songs from different times.  
Ill let you say goodbye  
On another day,  
But not today.  
On another day,  
But not today.
