## "Cool Water"

All day I face a barren waste  
Without the taste of water  
Cool water

Oh Lad and I with throats burned dry  
And souls that cry for water  
Cool, clear water

A-keep a-movin' Dan  
Don't you listen to him Dan  
He's a devil, not a man  
And he spreads the burning sand with water

Dan can you see that big green tree  
Where the water's running free  
And it's waiting there for me and you  
Cool, clear water

Shadows swing and seem to say  
Tonight we pray for water  
Cool water

And when you hear our prayer  
And show us where there's water  
Cool, clear water

A-keep a-movin' Dan  
Don't you listen to him Dan  
He's a devil, not a man  
And he spreads the burning sand with water

Dan can you see that big green tree  
Where the water's running free  
And it's waiting there for me and you  
Cool, clear water

Cool, clear water  
Cool, clear water
