Going down the river John  
Going to ask to save my soul  
Going down the river John  
Going to ask to save my soul  
Going to get down on my knees  
And there I'm gonna freeze  
Going down the river  
To save my soul

When moses opened up the waters  
And he let the people through  
Well now, moses opened up the waters  
And he let the people through  
Was a windy day and bearly drown  
When the waters came dummlin' down  
Came down to the rive to save my soul

Well, save my soul, save my soul  
Save my soul, save my soul  
Came down to the river, yaaa  
To save my soul  
(To save my soul)

Now listen brother Henry  
Listen here to me  
Forget about your jezabelle  
And come, come, come to me  
We'll go down to the river  
We'll get down on our knees  
And ask the Lord to save our souls  
Save us if you please

Well, save my soul, save my soul  
Save my soul, save my soul  
Came down to the river, yaaa  
To save my soul  
(To save my soul)

Save my soul, save my soul  
Save my soul, save my soul...
