I prayed to the Lord to send me a love
He sent me an angel from heaven above
The stars in the sky he placed in her eyes
She is my true love

The touch (my true love) of her hand (my true love)
Captured (my true love) my soul (my true love)
And the kiss (my true love) from her lips (my true love)
Set my heart (my true love) aglow (my true love)

And I know (my true love) from heaven (my true love)
>From heaven (my true love) above (my true love)
Came my, my true love

SPOKEN:

Darling I love you
I'll always be true
My prayers, they were answered
When the Lord sent me you

SINGING:

With, love and devotion
That I never knew
Until the Lord above sent me you
And I thank (my true love) the heavens (my true love)
The heavens above (my true love)
For sending my true love
(My true love)
