Bring me meat bring me sausage bring me God bring  
me God sausage go nevertheless into the butcher's  
shop and procure to me there ne sausage I procure it  
to you then also and delete with it mine thirst bring me  
meat bring me God bring me the one, which goettliche  
sausage I fress it then and delete mean thirst this  
sausage which I saw there, become I love always be it  
me into the neck deeply inside I choke so gladly meat  
into me bring purely me meat bring me God I choke so  
gladly sausage into me purely...
