I am a monkey in a cage
I am a prisoner of your love
I was a solitary man
Until the day you opened up

Like a rose
And I fell inside
And your heart, it froze
And I'm trapped under the ice

You welcomed me with open arms
I drank so freely from your cup
I slept so sound on a bed of nails
Until my eyes, they opened up

Like a rose
And it was too late to cry
And your heart, it froze
Now I'm trapped under the ice
Trapped under the ice

I am a monkey in a cage
I am a prisoner of your love
I was a solitary man
Until my eyes they opened up

Like a rose
It was too late to cry
And your heart, you know it froze
And I'm trapped under the ice
Trapped under the ice
