I wanna shut one day with a machine gun silhouette
Spot in the rainbow clip
I have this gun staring at me,
Wondering where I got it
Then it just..
I don't know it's name yet,
But just the same it dose a little amount of death
And I lost... until I had no money left!
I said until I had no money left!
Yeah, until I have no money left, oh!

I don't wanna get hurt,
I get too disappointed if the...
The birds look at the person, but not in the...
I've seen the auctioneer getting pretty frustrated
If something good...
I got pretty damn suspicions,
But it seems like a pretty good kid!
Yeah, it seems like a pretty good kid!
Well, it seems like a pretty good kid!

... is been around for a while in the field
But there is always that chance...
It's one gun guy coming straight out of texas...
The trophy... somebody else
Yeah the trophy... somebody else!
Well the trophy... is somebody else!
