Spider got eight legs and  
I got two  
This guitar got six strings  
What about you, well, what do you got,  
Did you get for free?

You gotta get all your things together, girl  
And make sure to give'em all to me

Stone or rock ain't movin'  
Neither is a tree  
And that may be good for you girl,  
But it ain't good for me, I'm rolling  
Yeah, I'm takin' what I need for free

You still got to get it all together  
Put it in the trunk of my car  
And I'm gonna take it all with me

What do you got that I ain't got?  
What I wanna know:  
Can I get a piece of it?  
A piece before you go?  
Yeah, give it all, girl

Yeah, shove it right down my throat  
Oh, yes, I got one last thing to say to you  
Have you seen my coat?
