You see I got this American Love  
A brand new planet in my solar system  
I kiss her neck but I just  
Can't look her in the eye  
You leave for college at the turn of autumn  
I spent the winter diving to the bottom  
I kiss your neck but I just  
Can't look you in the eye yeaaaahh

Big hearts big hearts  
Big hearts are for breaking  
(Big hearts are for breaking) Whoaa oh  
Big hearts big hearts  
Big hearts are for breaking

You see I got this critical conscience  
A brand new black hole in the solar system  
I dig my grave but I just can't  
Stand to step inside

And when they find out  
They'll sound every siren  
[M?s Letras en es.mp3lyrics.org/nwhy]  
Break the door down to find the baby crying  
You thought I knew it's just  
Not right to tell a lie

Big hearts big hearts  
Big hearts are for breaking  
(Big hearts are for breaking) Whoaa oh  
Big hearts big hearts  
Big hearts are for breaking

And now there's no turning back  
In the face of the sweat we share  
There's nowhere to run  
You're so unprepared  
It's a new heart attack  
Brand new bricks on my back  
Don't say a word they might find us there

You see I got this American love  
A hidden planet in my solar system  
Keep your eyes shut I just can't  
Stand to say goodbye

Big hearts big hearts  
Big hearts are for breaking  
(Big hearts are for breaking) Whoaa oh  
Big hearts big hearts  
Big hearts are for breaking
