don't lie you're losing life
been there a thousand times
hiding my laser eyes
smacked up debutante, daddy's girl
got to have what kills your world
so do i.. 'cause i don't like mine

losing the feeling, its alright
losing the meaning, its alright
..i like it with you.

killing time, wasted minds
wasted lungs, perfect eyes
we don't feel, we just want
we just bitch 'cause our future's gone

look at you head in the sky
thinking everybody's blind to your crimes
but i know those eyes
i seen it all, your times lust to need(?)
just as easy as i'd see you bleed
i aint blind, 'cause i've had those eyes

losing the feeling, its alright

losing the meaning, its alright
..i like it with you.

killing time, wasted minds
wasted lungs, perfect eyes
we don't feel, we just want
we just bitch 'cause our future's gone

losing the feeling, its alright
losing the meaning, its alright
..i like it with you.

killing time, wasted minds
wasted lungs, perfect eyes
we don't feel, we just want
we just bitch 'cause our future's gone
our future's gone

our future's gone
