"In Slow Motion (Sleazy Wednesday)"

Welcome to the future
We're all so glad you came
Attacked me in the laneway
In this town you don't get nowhere
Unless you're on a bicycle
So hip and out of touch
Parked out on the speedway
Just trying not to move
Its only getting harder now

We could engineer a wall
That couldn't fall
With all this time
My life in technicolor
Can you check the shutters
Someone get my mother
On the phone
She oughta know what I'm up to
Out here in hollywood
You don't need a sweater
Cause the sun feels better
In slow motion
I ride the wave back home

Welcome to your next life
Iweve hope you've come prepared
We all wish you the best life
The questions leave a message
We'll call you back, of course we will
So dive in and dye your hair
Yeah baby its the new you
Stitchin' up your style
But I'm not too concerned with fashion

We could wait for rain to fall
But it would only waste
Our time
My life in technicolor
Can you check the shutters
Someone get my mother

On the phone
She oughta know what I'm up to
Out here in hollywood
You don't need a sweater
Cause the sun feels better
In slow motion
I ride the wave back home

Someone get my mother
On the phone
She oughta know what we're up to
Out here in hollywood
You don't need a sweater
Cause the sun feels better
In slow motion
I ride the wave back home
I want outta the wave
My life in technicolor,
My life in techincolor,
My life,
My mother on the phone

Out here in hollywood
Out here, out here in hollywood
Its so much better
I'll ride the wave back home
I'll ride the wave back home
