Checkmate-

This is La Macarena- just call me Quanto.

But nowadays everybody wanna be Blanco-

Guess I'm renamein' 'em- but I ain't blamein' 'em.

I laugh at these bitches- they macadamia'n.

3-0-5 chin checker- straight Down South girl.

You fucking with the real Cocaine Cowgirl.

Rich.

You can copy her- she got it from me.

You know, the little man- they always want to get it for cheap.

Bitch.

Straight out the lab- ain't been stepped on.

The last real bitch alive has just been slept on- Jack Rippa'.

No one's above and I'm hated for the same reasons that I'm loved.

They walkin' contradictions- hypocritical thieves.

That's why I don't play with mutts- they all got fleas.

Money make me smile- Mother- fucka' friend.

And I don't let shit slide- I love revenge.

Bang, bang!

Street sweeper cocked and aimed- (inaudible)

Bang, bang!

Street sweeper cocked and aimed- (inaudible)

Bang, bang!

Street sweeper cocked and aimed- (inaudible)

Bang, bang!

Street sweeper cocked and aimed- (inaudible)

Man, this bitch is jacki-jackin'- she improvise more than an Italian actor.

Seems the seamstress ran out of material- she lack fiber like a box of cereal.

Fuck patience- moderate mediation- any technicalities so feel retaliation.

How broke bitches dimes with nine cents- before you get on my page read the fine print.

Jacki (inaudible) blanco- put my foot up in a rap bitch ass pronto.

I don't do allies- they cause treason.

I don't do emotions- they cloud reason.  
I don't play games- I don't play fair- I don't play victim-  
but I do play dare.  
No mercy- love is numb- the pain is like shame I only  
learned that once.

Bang, bang!  
Street sweeper cocked and aimed- (inaudible)  
Bang, bang!  
Street sweeper cocked and aimed- (inaudible)  
Bang, bang!  
Street sweeper cocked and aimed- (inaudible)  
Bang, bang!  
Street sweeper cocked and aimed- (inaudible)

Y'all better tell these bitches that Jacki is bad news-  
keep an eagle on my stomach like one of my tattoos.  
If I up it- I'm gonna aim it.  
If I shoot it- don't blame it.  
My mama- didn't want me and the street couldn't tame  
it.  
Better slow 'em down- tell 'em stay on they face-  
Before I snatch off they lace and have to razor they  
face.  
Bitches ain't trash- they dumpsters.  
If I sss-slide up on 'em- you know I'm coming with  
Munsters.  
And we don't got sticks- we got logs.  
And we like Mike Vick- killing dogs and all.  
Uh-  
We don't tolerate haters- cut ya' ass up and feed ya'  
ass to the gators.  
My shit's clean- they steppin' on dope.  
None dancein' hoes- steppin' on toes.  
Bitches 'bout as real as they facial features- makin'  
desperate moves is a sign of weakness.

Bang, bang!  
Street sweeper cocked and aimed- (inaudible)  
Bang, bang!  
Street sweeper cocked and aimed- (inaudible)  
Bang, bang!  
Street sweeper cocked and aimed- (inaudible)  
Bang, bang!  
Street sweeper cocked and aimed- (inaudible)
