Chainsaw caesarean - raped by a priest.

You are - the - chosen one, - chainsaw caesarean.  
Give a life - to - force control, - to exploit your way of  
thinking.  
People have to die - harmless, - this is the myth of your  
religion.  
We - are not - the same - mind.

Sterile stainless razorblade - cut's into fearless  
cranium.  
Little child - ignorant mind, laborious, undefiled.  
Fertile blood drips from the carved carmine holy cross.  
Everlasting mark, carnal on the skull to be.

In-breeding act of guilt. Faith of mankind!  
Malignancy built on fascistic sights. Blamed by divine!  
Fed up with the scepticism of others, Hypocrisy!  
to slaughter the consumed as on demand. Obliterated!

Sterile stainless razorblade - cut's into fearless  
cranium.  
Little child - ignorant mind, laborious, undefiled.  
Fertile blood drips from the carved carmine holy cross.  
Everlasting mark, carnal on the skull to be.

Suppurated crucifixion.  
Suppurated crucifixion.  
Suppurated crucifixion.  
Obliterated is the common sense!

Damned!!!

Born by a fiercely in-breeding act of guilt.  
Vertebrate malignant with concealed fascistic sights.  
Being fed up with the other brainless scepticism.  
And slaughters the consumed as on virtuous demand.

Rattle brained, Regurgitation of the sallow.  
Rattle brained, you thought that we would worship your  
cross!  
Rattle brained, you are the chainsaw caesarean.

Rattle brained, - stench - combined the rite.
