"Great And Mighty"

Hold my heart, O God, keep me ever in Your will
There is joy within Your presence here and now
But better will
Is the the day that is to come
When Your full glory is revealed
I have long endured the trials of the age
But I will say
You are great and mighty God
Robed in majesty
You set us apart, You set us free
When You captured our hearts
You are great and mighty
So in You I will rejoice, make my life an offering
I'm enraptured by the mercies of my King
And I will sing
I will sing Your praise, I will sing Your praise
O name above all names
I will count the days until I see Your face
I will evermore proclaim
