[Verse 1]

Ooh wat a sound n itz clear  
Closer every inch and now  
Dat ur gone  
My parade  
For a broken heart to hear itz  
Sumthin I can't help I'm addicted to  
Everytime she walks  
Can hear when she talks  
Itz something I don't want but I have to do  
Let you go, I gotta let you go

[Pre-Chorus]

If ya got sumthin in ya heart ya need to let it out, let it  
out, let it out, let it out  
If u love sumone n let em go, ya know juz wat I'm talkin  
bout, talkin bout  
Even though it hurts to speak

[Chorus]

Let the song  
Touch the heart  
Let the drum  
Light the spark  
Let the horn  
Fill the need  
As u walk  
Set you free  
And the band played on  
And the band played on  
And the band played on  
And the band played on  
And the band played on

[Verse 2]

Clouds touch the sky from the tears,  
That run across your face and talk  
Kuz I know that ur gone  
There aint nothin left 2 save us  
See I already know what I have to do  
Walk away from this, wish I got one last kiss  
I keep your picture by my bed side

I can't deny, yearning for you

[Pre-Chorus]

If ya got sumthin in ya heart ya need to let it out, let it  
out, let it out, let it out  
If u love sumone n let em go, ya know juz wat I'm talkin  
bout, talkin bout  
Even though itz killing me

[Chorus]

Let the song  
Touch the heart  
Let the drum  
Light the spark  
Let the horn  
Fill the need  
As u walk  
Set you free  
And the band played on  
And the band played on  
And the band played on  
And the band played on  
And the band played on

[Verse 3]

My heart iz bleedin at da fact dat I can't hav u rite here  
next to me  
So I take a stand and watch kuz I know dat I gotta set u  
free  
No more dumbness now, I suffered like this shit for the  
whole world to see  
World to see  
You and me  
You and me  
Listen to me

Oooohh ooohhh oooohhh ooohhhhh  
Ooohhhhhh ooohhhhh ooohhh

[Chorus]

Let the song  
Touch the heart  
Let the drum  
Light the spark  
Let the horn  
Fill the need  
As u walk  
Set you free  
And the band played on  
And the band played on

And the band played on  
And the band played on  
And the band played on
