Hey pretty girl, You are the finest thing
i've seen in a while
The way you move.. its unfair,
they say you wanna go for a ride
You got the kind of love i need
The kind of love to make the world go Around..
Im not like these other guys, you'll see
Cause i will do whatever girl, whatever

To be where you are, oh babe
Cause all i wanna do is lay right next to you
And be where you are, oh babe
I search around the world for your lovin' girl
To be where you are..
ah ah ahh, ah ah ahh
ah be where you are, To be where you are
ah ah ahh, ah ah ahh
ah be where you are, to be where you are

You know im not shy.. at all
Can't let another guy win your heart
And if he were good i'd do it better, tell your mama,
or who ever, that i ain't going no where, yeah
Cause you got the kind of love i need
The kind of love to make the world go Around..
Im not like these other guys, you'll see, noo
Cause i will do whatever girl, whatever

To be where you are, oh babe
Cause all i wanna do is lay right next to you
And be where you are, oh babe
I search around the world for your lovin' girl
To be where you are..
ah ah ahh, ah ah ahh
ah be where you are, To be where you are
ah ah ahh, ah ah ahh
ah be where you are, to be where you are

Come on girl, hehee
Come on.. Ohhh
ah ah ahh, ah ah ahh

ah be where you are, To be where you are

To be where you are, oh babe
Cause all i wanna do is lay right next to you
And be where you are, oh babe
I search around the world for your lovin' girl
To be where you are..
ah ah ahh, ah ah ahh
ah be where you are, To be where you are
ah ah ahh, ah ah ahh
ah be where you are, to be where you are
