You're the light.
That brightens my day
The littlest things, you do make me oh so happy.
When you call, I won't let it ring.
I don't want to wait to hear what you gotta say.
I know; when we get older. You'll be the shoulder for
me.
The one I adore.
Ooh.
We keep getting closer.
Little did you know, I found out what you're about.
You're not!
You're not, you're not boyfriend material, material.
No you're not!
You're not, you're not boyfriend material. Material!
You're the rain, that washes away the hurt and the pain
whenever I'm down and out.
And, Ooooh. Oooh ooh.
You really believed me; I would've meant that if you
weren't a douchebag!
I know; when you get older. I'm not gonna wonder, who
you're making a fool of.
Oooh.
I don't wanna know ya.
Do me a favor, forget that you ever knew me.
You're not!
You're not, you're not boyfriend material, material.
No you're not!
You're not, you're not boyfriend material, material.
No you're not!
You're not; you're not boyfriend material, material.
No you're not!
You're not, you're not boyfriend material, material.
No you're not!
My heart won't stop spinning in my head (Won't stop
spinning!)
And it's there, every time that I hug you. (Everytimee)
I've given so much for love, so much for love.
(Now I'm singing)
So much for love, so much for love.
My heart won't stop spinning in my head (Won't stop
spinning!)

And it's there, every time that I hug you. (Everytime)
I've given so much for love, so much for love.
(Now I'm singing)
So much for love, so much for love.
