You're more than anything I've ever wanted,
wanted
You're such a criminal, my heart just stole it, stole it
Just stop my body up and now we rolling
I let you tear me apart,
Go ahead and break me down, down, down, down
I let you tear me out, out, out, out
I'm talking dirty now, now, now, now
And I just don't wanna wait, wanna wait, wanna
wait, wanna wait

[Chorus]

Time is ticking and my love is on the edge
Run away, another night to disappear
I need your tonight, I need you tonight
I need you tonight, I need your tonight
Run away, another night to disappear
I need you tonight, tonight, tonight, tonight

Dj turn it up, I need to feel it, feel it,
So when I'm dancing need to see it, see it,
The sex that's in my eyes is so revealing
Don't already know?

Go ahead and break me down, down, down, down
I let you tear me out, out, out, out
I'm talking dirty now, now, now, now
And I just don't wanna wait

[Chorus]

Time is ticking and my love is on the edge
Run away, another night to disappear
I need your tonight, I need you tonight
I need you tonight, I need your tonight
Run away, another night to disappear
I need you tonight, tonight, tonight, tonight

oh I need you, oh I need you tonight, tonight
oh I need you, oh I need you tonight, tonight

[Chorus]
