Oh baby

Oh yeah yeah yeah yeah
I wanna be the only one
To make you feel the way you feel
'Cause you girl have everything I need, I need
so I don't have have to understand yeah
I'll treat you like a little baby
I promise I'll take care of you
So you don't have to worry, I'll do, I'll do
Everything you want me too, ohh

I'll make you feel, uhh
Like it's your first time, every time
I'll make you feel, oh baby
Like it's your first time, every time

You're the first time, la la la, la la la
You're the first time, la la la, la la la la
You're the first time, la la la, la la la, la la la
You're the first time, la la la, la la la, la la la
You're the first time, uh uh

(2 x)
I'll make you feel, uhh
Like it's your first time, every time
I'll make you feel, oh baby
Like it's your first time, every time

You're the first time, la la la, la la la
You're the first time, la la la, la la la la
You're the first time, la la la, la la la, la la la
You're the first time, la la la, la la la, la la la
You're the first time, uh uh
