A song for every girl in the world (x2)

(Verse 1)

this is for the girl that get whatever she want
baby girl stay so fly
this is for the girl that always stay at home
only in the men all night
and this is for the girl that be tryna do her own thing
independent yeah i like
there so many girls
i wish i was in your world

(Bridge)

And then I say ooo (ooo)
cause if i had the chance
i'd be there right with you (ooo)
so listen over

(Chorus)

If i had a song for every girl in the world
it would sound like this.
It would sound like this
play this on our first kiss,
it would sound like this
A song for every girl in the world... (x2)
It would sound like this.

Ooooh (A song for every girl in the world...)

oooh, oooh,

it would sound like this.

Ooooh, whooa whooa (A song for every girl...)

(Verse 2)

This ones for the girl that like to dance everywhere,
do that dougie, girl, all day.
And this ones for the girl who just got her heart broken,
missin you to kiss goodniiiiigghhtt.
So many songs are written,
for every guy to finish,
I just want this girl be that one, waiittinn...

(Bridge)

And then I say ooo (ooo)
cause if i had the chance
i'd be there right with you (ooo)
so listen over

(Chorus)

If i had a song for every girl in the world
it would sound like this. (It would sound like this...)
It would sound like this (hey...)
play this on our first kiss, (hey...)
it would sound like this (hey...)
A song for every girl in the world... (x2)
It would sound like this.

(A song for every girl in the world...)
It would sound like this.
(A song for every girl in the world...)

(Bridge)

And then I say ooo (ooo)
cause if i had the chance
i'd be there right with you (ooo)
so listen over

(Chorus)

If i had a song for every girl in the world
it would sound like this. (It would sound like this...)
It would sound like this (hey...)
play this on our first kiss, (hey...)
it would sound like this (hey...)
A song for every girl in the world... (x2)
It would sound like this.

(A song for every girl in the world...)
It would sound like this.
(A song for every girl in the world...)

(A song for every girl in the world...)
