Were a long long way from the people we use to be
And your long way past taking the chance on me
And the shadows of doubt have all faded out
And made it so easy to see

Honestly im yours
Finally im sure
Im where I belong and baby your all that I need
Honestly
Honestly

I had to confess its all because of you
You showed me how to live in the simple truth
Where else do you go when you know that you know
After everything we've been through

Honestly im yours
Finally im sure
Im where I belong and baby your all that I need
Honestly
What more could I need but your love and effection
that you gave to selflessly
Honestly
Ohhh yeaah
Ohhh

Honestly im yours
Finally im sure
Im where I belong and baby your all that I need
Honestly im yours
Finally im sure
Eh im where I belong and baby your all that I need
Honestly
