I love you, I love you
And I know you love me too (That's right, that's right
baby)
And I know you love me too
x2
We fight,
and then get back with each other,
and when we sleep together,
you'll be stealing all the covers,
and the mall is like your second home town,
can someone buy so many treats, I'm like wow,
Damn,
But you sexy when you want to,
Yeah, and you don't even have to try to,
Love, Oh my love,

I Never feel Like Letting Go,
Shawty, you already know,
You give the best part of me,

You got me saying,
I love you, I love you,
And I know you love me too,
And I know you love me too,
I love you, I love you,
And I know you love me too,
And I know you love me too,

You say you love me girl,
I hope you really do,
Cause I just pray to god,
That you telling the truth,

First you wanna stay stay,
Then you leave,
Blowing up my phone call,
like you crazy,
I really really feel like you don't care,
cause all we do is argue when I'm there,
Oh whoah - oh,

and when I feel like letting go,

you already know,
I just need you take,

I love you, I love you,
And I know you love me too,
And I know you love me too,
I love you, I love you,
And I know you love me too,
And I know you love me too,

Oh, oh i know that,
it won't be perfect no,
But that's what we need for us to go,
and as long as you keep on it,
saying baby,baby,baby,baby!

I love you, I love you,
And I know you love me too,
And I know you love me too,
I love you, I love you,
And I know you love me too,
And I know you love me too,
