Stop threaten me with your love (oh oh)
I know your insecure but what the fuck (oh oh)
I have been around the world and I have found out
what it meant
And I don't need a song to tell me I'm independent

I guess were fallin like dominos
Cause you keep pushin me away so just get up and go
Feels like your using me, controllin my thoughts
So why you laughing like somethin is funny?
Boy get away from me

You say your leaving me go ahead and do it please
(Just just do it, just just do it)
You say your walking out so why you waitin around?
(Just just do it, just just do it)
Do it

Stop making it like it's my fault (oh oh)
Like im the one that's cheatin and got caught (oh oh)
Now you should know me better then to come that way
at me
If your lookin for a way out theres a door and leave
your key

I guess were fallin like dominos
Cause you keep pushin me away so just get up and go
Feels like your using me, controllin my thoughts
So why you laughing like somethin is funny?
Boy get away from me

You say your leaving me go ahead and do it please
(Just just do it, just just do it)
You say your walking out so why you waitin around
(Just just do it, just just do it)
Do it Do it Do it Do it (Just just do it)
Do it Do it Do it Do it Do it (Just just do it)

If you wanna say goodbye (Just do it)
Better make it your last time (So do it)
What are you waitin for? (Just do it do it do it do ittttttt)

You say your leaving me go ahead and do it please
(Just just do it, just just do it)
You say your walking out so why you waitin around?
(Just just do it, just just do it)
Do it Do it Do it Do it (Just just do it)
Do it Do it Do it Do it Do it (Just just do it)
Do it Do it Do it Do it (Just just do it)
Do it Do it Do it Do it Do it (Just just do it)
Do it
