[Chorus]

(Ey)

Now throw them hands on me (throw them hands on me)

She a freak so you know what that means (ey)

Throw them hips on me (throw them hips on me)

She a freak so you know what that means (ey)

1, 2, 3

Just like a wrestler

1, 2, 3

Won't you pin me down, down?

1, 2, 3

Just like a wrestler

May be hard to see

To see the way shawty put it on me

Watch out

There she go

Movin, on the floor

Body's so vicious

I need her to come over here

She whispered in my ear

Something I like to hear

Ooh, you still manage (?)

Your sex appeal has got me goin

Crazy, little mama, hips are so thick

I'm like, dammit

I gotta get this woman to the crib

Yeah, number one contender

Shawty, you're a winner

First round, she bout to take me to the ground

[Chorus]

She's a professional

And I, like, wanna see some more

You got me waitin

I can't take it, baby

Ooh, I really want ya

Baby, just let me spoil ya

I guarantee that you'll never forget it

The title girl, you'll win it
Man, it's
Crazy, little mama, hips are so thick
I'm like, dammit
I gotta get you right back to my crib
Yeah, number one contender
Shawty, you're a winner
First round, she bout to take me to the ground

[Chorus]

She bad as she wanna be
You need to come home with me, girl
She bad as she wanna be
You need to come home with me, girl

[Chorus]
