Time moves so fast, where does it go?
When I was alone, it was so slow
Over again, over again
We're leaving a world that's so cold, baby
Not lookin' back for nothing
(Oh baby)

I wanna take our love above the sun
Explore a galaxy, connect as one
(A million miles away from Earth, ooh)

We're traveling, baby, to love and beyond
(Ooh, oh, oh)
Let's go to love and beyond
(Ooh, oh, oh)
To love and beyond

When will we land?
We'll never know
(Ooh)
But love has a plan for us to go
Over again, over again

We're leaving a world that's so cold, baby
Not lookin' back for nothing
(Oh baby)

I wanna take our love above the sun
Explore a galaxy, connect as one
(A million miles away from Earth)

We're traveling, baby, to love and beyond
(Ooh, oh, oh)
Let's go to love and beyond
(Ooh, oh, oh)
To love and beyond

Hey, now we're flying, oh yeah, we're flying
Hey, there we're flying, up and away
Hey, there we're flying, up and away

(Oh baby)

I wanna take our love above the sun
Explore a galaxy, connect as one
(A million miles away from Earth)

We're traveling, baby, to love and beyond
(Ooh, oh, oh)
Let's go to love and beyond
(Ooh, oh, oh)
To love and beyond
