[Jackie Boyz:]

I wanted to call the other day,  
To see if you're still might think of me,  
Cause my life ain't been the same  
Since we're on separate ways, yeah, yeah, yeah!  
But still inside I need you,  
Your life, your breath I breathe you,  
Wish you were right here with me now!

Chorus:

So how do you know when it's time to let go?  
And throw away everything what you we're fighting for.  
How do you deal with a love that's so real  
And give up on what was meant to be,  
Not just another memory?  
Just another just another memory!  
Just another just another memory!

[Christina Milian:]

I'm hearing everything you say,  
And every ... I feel the same way,  
Your voice keeps on coming,  
And if I could, I would bring back yesterday!  
Cause still inside I need you,  
You're like the air I breath you,

Wish you were right here with me now!

[Jackie Boyz &Christi;na Milian:]

Chorus:

So how do you know when it's time to let go?  
And throw away everything what you we're fighting for.  
How do you deal with a love that's so real  
And give up on what was meant to be,  
Not just another memory?  
Just another just another memory!  
Just another just another memory!

Come back to me!

Come back to me! (x4)

[Christina Milian:]

Chorus:

So how do you know when it's time to let go?  
And throw away everything what you we're fighting for.  
How do you deal with a love that's so real  
And give up on what was meant to be,  
Not just another memory?  
Just another just another memory!  
Just another just another memory!
