Eh
Tell me how I got here
Reality is fading by the second (oh no)
See I don't get no service
You tired me and it's workin'
How did you know (yeah)

I see computer blue, yellow, orange, green we can be
on
She took me on a trip
I'm so high
Now I'm neon
What's the destination going nowhere

All around the club I seen the neon lights and they
flashin'
(Neon ah ah ah ah neon)
And when she hit the floor something happend
It was still, like it's magic
(Neon ah ah ah ah neon)

Can you feel it
Can you feel it
Can you feel it
(Neon ah ah ah ah neon)

Can you feel it
Can you feel it
Can you feel it
(Neon ah ah ah ah neon)

She takes me by the hand slow (yeah)
Walks me to a place I've never been before
Never thought I would discover
A glow that was like no other
Situation is crazy
She's got me going insane

I see computer blue, yellow, orange, green we can be
on
She took me on a trip

I'm so high
Now I'm neon
One stop destination going nowhere

All around the club I seen the neon lights and they
flashin'
(Neon ah ah ah ah neon)
And when she hit the floor something happend
It was still, like it's magic
(Neon ah ah ah ah neon)

Can you feel it (oh can you feel it)
Can you feel it
Can you feel it
(Neon ah ah ah ah neon)

Can you feel it (baby can you feel it)
Can you feel it
Can you feel it
(Neon ah ah ah ah neon)

Ohhh ohhh ohhh oh oh oh...
Eh
I see computer blue, yellow, orange, green we can be
on
She took me on a trip
I'm so high
Now I'm neon
What's the destination going nowhere

All around the club I seen the neon lights and they
flashin'
(Neon ah ah ah ah neon)
And when she hit the floor something happend
It was still, like it's magic
(Neon ah ah ah ah neon)

Can you feel it
Can you feel it
Can you feel it
(Neon ah ah ah ah neon)

Can you feel it
Can you feel it
Can you feel it
(Neon ah ah ah ah neon)
