Hey, there's a loud knock on my door
Who could that be?
Cause I'm laying with this girl that I met last week
The noise is getting louder and I'm starting to think
Could my woman be finally trying to catch me?
Fee-fi-fo-fum, yeah that's her outside the window
telling me that I'm in Trouble
Baby this time I'm done, yeah
She's starts to lose it now, I gotta calm her down

So listen to me Norma, Norma, Norma Jean
(Norma Jean)
I know you caught me but it isn't what it seems
Now listen to me Norma, Norma, Norma Jean
(Norma Jean)
Girl I'll say anything just promise you won't leave
So baby don't leave me,
(Please don't leave me)
Don't leave me
(Please don't leave me)
Don't leave me
(Please don't leave me)
(Please don't leave me)
Baby don't leave me
(Please don't leave me)
Don't leave me
(Please don't leave me)
Don't leave me
(Please don't leave me)
(Please don't leave me)

So she walks through my door, acting way too calm
Sees the girl in the bed, walks in the other room
I'm gettin' nervous now, she comes back with a knife
Ties us both to the bed, I'm about to lose my life

Fee-fi-fo-fum, all this pleasure that I felt
I'm like a Wrisoner in a cell, oh I-I
This time I'm done, it's gettin' hot as hell
Wait, is that smoke I smell?

Don't leave me in here Norma, Norma, Norma Jean
I know you caught me, but it isn't what it seems

Now listen to me Norma, Norma, Norma Jean
(Norma Jean)

Girl I'll say anything just promise you won't leave

So baby don't leave me,

(Please don't leave me)

Don't leave me

(Please don't leave me)

Don't leave me

(Please don't leave me)

(Please don't leave me)

Baby don't leave me

(Please don't leave me)

Eh, don't leave me

So listen to me Norma, Norma, Norma Jean
(Norma Jean)

I know you caught me but it isn't what it seems

Now listen to me Norma, Norma, Norma Jean

(Norma Jean)

Girl I'll say anything just promise you won't leave

So baby don't leave me,

(Please don't leave me)

Don't leave me

(Please don't leave me)

Don't leave me

(Please don't leave me)

(Please don't leave me)

Baby don't leave me

(Please don't leave me)

Don't leave me

(Please don't leave me)

Don't leave me

(Please don't leave me)

(Please don't leave me)
