[Paying My Dues Lyrics On]

[Hook]

Cuz Paid my Dues to be here(my dues)
I fought through these years(years) and I'm standing
right here
(cuz I paid, hey)Cuz Paid my Dues to be here
I fought through these years(I fought through these
years)
and I'm still right here

[Affion]

I believe I really paid my dues
So I spell my family name with attitude
But the gratitude I feel is crazy dude
I'll fulfill your legacy
I'm making moves
But the price I had to pay ain't fair at all
So I'm praying that my heart can bare it all
When it feels like nobody cares at all
I know God will hold me if I dare to fall
(A) is for the awesome way you raised a man
always down to raise my hand take a stand
(F) is for the family and all the friends
(F) is for forgiving sin
(I) is for I paid my dues to be here
(O) is for the obstacle that made me talk to you in
heaven
(N) is for never forgetting

Cuz I paid (oh) my dues to be here
I fought through these years
And I'm standing right here(standing right here)
Cuz I paid my dues to be here
I fought through these years
And I'm standing right here

Cuz I paid my dues yeah
