baby i was so wrong i cant lie i left you standin little did you know i was pretendin i was alright yeah for the first ride now i need your heart back with me but ten thousand miles here we go woah woah woah when i arrive i dont know woah woah woah im moving fast to your soul woah woah woah ill keep on searchin cuz i know your whats importent

im talking planes, trains, automobiles ill take anyone just to get you back hereyour so far away but your still standing herei need a plane train or automobile to your heart

going down a dark road just looking for a sunbut ill take the same route if it means you'll be mineyou said it i knew it i should a listened babyi hope i still got time ohh woahh

but ten thousand miles here we go woah woah woahwhen i arrive i dont know woah woah woahim moving fast to your soul woah woah woahill keep on searchin cuz i know your whats importent im talking planes, trains, automobilesill take anyone just to get you back hereyour so far away but your still standing herei need a plane train or automobile to your heart

yeah i and still dont know how farhow i can get right through your hearti cant erase girl what we sharedcuz you know my loves right herebut it still aint alright im talking planes, trains, automobilesill take anyone just to get you back hereyour so far away but your still standing herei need a plane train or automobile to your heart

im talking planes, trains, automobilesill take anyone just to get you back hereyour so far away but your still standing herei need a plane train or automobile to your heart
