Hey shawty,

Hey shawty,

And Imma show you something you ain't never seen,

It go one night, two night, three night, four,
I ain't gotta touch down I can hear the crowd roar,
Coz it's foul night, six night, seven night, eight,
I ain't hit a homerun now I'm headin to the play ayy,

You know I like that sex applause,
In my bedroom, bedroom, let me hear that thing clap,
You get a standing ovation every time your wear that,
wear that,
I always get that sex applause,
When I'm hitting that,
I always get that sex applause,
When I'm hitting that,
I always get that sex applause,
When I'm hitting that,
Oh yeah, oh yeah, oh yeah,

Oh shawty,
You a dream,
I musta got you out of my fantasies,
Me and you girl,

The type of love that be on the big screen,

It go one night, two night, three night, four,

Coz it foul night, six night, seven night, eight,
