I can't delay my love to you
I see that now I was a fool
Going AWOL on me
Only one that love me baby
I shoulda been more understanding
Instead of leavin you all into him
And now I'm sewing it up
No giving up
Picking up your heart where I left it

I'll keep on searching
Wont stop I'll keep on looking
I need reinforcement
Cuz I can't do this by myself
If you can hear me then help

I got to call the cavalry
Cuz I'm gonna need a lot of
Ships and planes
I'ts gonna take more than just me
Cuz I'm gonna need a lot
Of ships and planes
(Back to me)
To bring you home home home (x4)

Love that feeling straightaway
You layed your life down selfishly for me
I know I did u wrong
I'm sorry baby
Just know that I wont give up

I'll keep on searching
Wont stop I'll keep on looking
I need reinforcement
Cuz I can't do this by myself
If you can hear me then help

I got to call the cavalry
Cuz I'm gonna need a lot of
Ships and planes
I'ts going to take more than just me
Cuz I'm gonna need a lot

Of ships and planes
(Back to me)
To bring you home home home (x4)

I'm calling coast guard,
The marines, the airforce, the navy
I got to get to you
No matter how long that it takes
With me is where u belong

I got to call the cavalry
Cuz I'm gonna need a lot of
Ships and planes
I'ts gonna to take more than just me
Cuz I'm gonna need a lot
Of ships and planes
To bring back the pain
To bring you home home home (x4)
