How we do

[Verse 1:]

I was standing outside with
My crew like yesterday
And this bad little mama
Walked by my way
I couldn't help but stare at ya
Ya can make a man want to marry ya
I had to jump back for a minute
And fix my face
And you knew what I'm talkin' bout
You know what I'm talkin' bout
Damn she don't know what she do to me

[Bridge:]

Shawty I can't deny, deny
The way you lookin' you know you fine (Ooh)
Body's so right, can't be wrong (yeah, yeah, yeah)
All I need is one chance with you (you)
And I'm a show you just what it do (Ooh)
And now that we're here face to face
You making me forget what I was about to say

[Chorus:]

Shawty make me lose my train of thought
Caught me by surprise the way she walks
The good behind them jeans
Made it easier to see
I want her
What I just saw made me lose my train of thought
My train of thought (Ooh oh, ooh oh, ooh oh)
My train of thought (Ooh oh, ooh oh, ooh oh)
My train of thought

[Verse 2:]

So usually girl
Most of the time I don't do this, don't do this
But I'm hypnotized girl by the way
You move them lips, lick your lips (yeah)
See I can fantasize about you and I (you and I)

And you're the baddest girl I testified (that's all my life)
[Bridge:]
All I need is one chance with you
And I'll show you just what I do
Damn she don't know what she do to me

[Chorus:]
Shawty make me lose my train of thought
Caught me by surprise the way she walks
The good behind them jeans
Made it easier to see
I want her
What I just saw me made me lose my train of thought
Shawty make me lose my train of thought
Caught me by surprise the way she walks
The good behind them jeans
Made it easier to see
I want her
What I just saw made me lose my train of thought

Made me lose my train of thought, thought (Say ooh)
Made me lose my train of thought, thought (I forgot
what I was doing yeah)
Made me lose my train of thought, thought (Clearly
understand me)
Made me lose my train of thought, thought (Oh, say
baby)

[Chorus:]
Shawty make me lose my train of thought
Caught me by surprise the way she walks
The good behind them jeans
Made it easier to see
I want her
What I just saw made me lose my train of thought
My train of thought

Made me lost my train of thought, thought
Made me lose my train of thought, thought
Made me lose my train of thought, thought (I can take
her away with me)
Made me lose my train of thought, thought (I forgot
what I was doing yeah)
