Well hello hello miss goody two-shoes
It's really really really nice to meet you.
I know I'm not something that you're used to
but I promise you'll get used to me.
Oh ohh.
Now you've been in the books since forever
actin' like you haven't read my letters.
You don't have to take an umbrella, sometimes the rain
feels good too.
Ouh you can be bad, bad, bad 'till it's good.
So bad, bad, that I wish you would.
So bad, bad, bad, I want to give what you never had,
yeah.
Baby take off all of your clothes, I promise that I won't
tell a soul.
'Cous baby you look so beautiful, that kind thing never
gets old.
'Cous you know the night time's for fun, the time for
being close to someone.
'Cous you've been doing right for so long, well baby
girl it's time to do wrong. yeahhhh.
Ouh ouh, ouh ouh, do wrong
Ouh ouh, ouh ouh, do wrong
Ouh ouh, ouh ouh, do wrong, yeaah yeeah.
Well hello hello miss never done it, hiding all your
feelings out in public,
don't want to change your personality I love it, just
wanna dirty up your mind a lil bit (a lil bit.).
Now I can see your halo (halo), shining right at me girl,
but baby you and I know (I know), ain't no better feeling
in the world.
Ouh girl you can be bad, bad bad till it's good.
So bad, bad, that I wish you would.
So bad, bad, bad, I want to give what you never had,
yeah.
Baby take off all of your clothes, I promise that I won't
tell a soul.
'Cous baby you look so beautiful, that kind thing never
gets old.

world.
Just be yourself, you and I, nobody else-
has ever felt so right for me, put trust in me, cous baby
tonight, it's time to do wrong.
'Cous baby you look so beautiful, that kind thing never
gets old.
