Tell me, I don't understand why good girls choosin'

Why'd you rather be taken for granted  
You need someone on your side  
To take away that drama  
Girl let me set you free  
Free, Yeah

Focus on you just like a 9 to 5  
Do whatever you want  
Because baby thats my job  
You need to let him go  
Cause girl ..

#### Chorus

You can do better  
You should forget him  
All that you give in  
sacrificing  
girl that don't  
Sound fair to me  
You can do better  
Pick me instead of him  
You deserve better  
All you have to say
