ho
yea yea
i already know your tricks are getting old
im the aduience im walking out this lame show
no it anit diffcult i been through this before and
doing nothing will turn off like the radio

the first thing u did wrong was playin me that a no no
it over u done cross that line and thinknn that i didnt
know and that why u getting let go
it over now your out of time

you must be crazy want me call u baby u got it little
lady boy u so shady u must be cazy want me call u
baby u got it little ladyu so shadyX2

girl i love u
no u dont
girl i love u
no u dont
girl i love u
no u dont
girl love u no u dont

boy i anit superman and i anit loise lane i just want see
u spread u wings and fly up up and away u think u play
me im thew refree i got my wistle on and ths dude got
a pentle

the first thing u did wrong was playin me that a no no
it over u done cross that line and thinknn that i didnt
know and that why u getting let go
it over now your out of time

you must be crazy want me
call u baby u got it little lady boy u so shady u must
be cazy want me call u baby u got it little lady u so
shady
