I was half asleep when I heard the news, sad words on  
the phone

I just couldn't believe my ears, I couldn't believe she's  
gone

I tried to make some sense of it, but sense I could not  
make

How a girl like her could go like that, it must be some  
mistake

Well, I'd known her since forever, as far back as I go  
She always had an answer for the things I didn't know  
She never hurt anybody, never did them wrong  
She walked to the tune of life, teaching everyone the  
song

Now Emily's in Heaven, but I'm awake in bed  
Sometimes how I wish, the good Lord took me instead  
But I guess the good die young and life just isn't fair  
But Emily's in Heaven, she'll be waiting for me there

Eleven different doctors but not one had a clue  
They rushed her to emergency but there was nothing  
that they could do

They said, "She had a weak heart, she'd always been  
that way"

I said, "She just gave too much of it away"

Now Emily's in Heaven, but I'm awake in bed  
Sometimes how I wish, the good Lord took me instead  
But I guess the good die young and life just isn't fair  
But Emily's in Heaven, she'll be waiting for me there

We laid her down for peaceful sleep, time was  
standing still  
Everybody said a prayer on top of Moonlight Hill  
I said goodbye with a rose, how she loved them so  
Then I turned away, tried not to cry and did my best to  
go

Now Emily's in Heaven, but I'm awake in bed  
Sometimes how I wish, the good Lord took me instead

But I guess the good die young and life just isn't fair  
But Emily's in Heaven, she'll be waiting for me there
