It's my pleasure to serve You  
To worship and give You the praise  
It's my delight to adore You  
To honor and lift up Your name

(Chorus)

Oh Lord God of heaven and earth and sky  
Wonderful King who reigneth oh high  
Power and majesty flow from Your throne  
I adore You, I worship

I really give you the glory  
For the masterful work You have done  
I gaze an awe in Your presence  
As I see Your purpose unfold

(Repeat Chorus)

There's no limit to Your power  
There's no limit to Your mercy  
It's Your goodness that surrounds me  
It's Your grace that protects me

Lord I worship and adore You  
Lord I bow down before You  
It's my pleasure just to serve You  
It's my pleasure to give You praise

Hallelujah, glory to You  
Hallelujah, glory to You  
I give You praise
