Soul light - shine it one more time on me
Soul light - show me how free I can be
Don?t leave me in the darkness,
With no-one in command.
Don?t leave me in the wilderness
A friend would lend a hand.

Soul light - shine it one more time on me
Soul light - show me how free I can be
I?m all filled up with sadness
It?s drownin? my soul inside.
Shine that ray of gladness
Dryin? up the tears I cried.

Please don?t leave me here at the crossroads
With no place left to turn.
Don?t you leave me with this heavy load
You know I got a lot to learn.

Soul light - shine it one more time on me
Soul light - show me how free I can be
Don?t leave me in the darkness
With no-one in command.
Don?t you leave me in this wilderness
A friend would lend a hand.

Soul light - shine it one more time on me
Soul light - show me how free I can be.

Soul light - shining in the darkness
Soul light - shining in the darkness.
