Take my word
Im the biggest fool you ever heard of any day, any day
I drove my sweet lover far away
And I can't love you, oh no, I can't love you
I had the kind of lover to be proud of
Then again I had to play the field
I never thought of anything but myself
I never knew how bad I made her feel
Take my word
Im the biggest fool you ever heard of any day, any day
I drove my sweet lover far away
And I can't love you, oh no, I can't love you
Day after day as she was loving me
I threw her love away
Night after night as I was loving you
I couldnt see the light
No, no, no
Oh take my word
Im the biggest fool you ever heard of any day, any day
I drove my sweet lover far away
And I can't love you, oh no, I can't love you
Take my word
