I walk down on a , a Back road.
I cant find no cover anywhere I go.
I need the comfort of a girl I know.
From back in my home town.

One line mama , one kiss.
How you gonna stand there , dont you do me like this.
You got the bullets that dont ever miss.
And they lay me on the ground .

I.... Want to see you in the light.
Im.... gonna keep you in my sight....
till the light comes.

My friends dont know me.
They cook me in the fire , give me 3rd degree.
I aint nothing like I used to be.
But lord Im Sinking down.

Swing right mama , Swing I ow.
Come on love me baby before I have to go.
You got the whip , Baby I got the row
The less I want to drowned.

I.... Want to see you in the light.
Im.... gonna keep you in my sight....
till the light comes.

Oh and
I.... Want to see you in the light.
Im.... gonna keep you in my sight....
till the light comes - ohhhhh.....

BRIDGE

How can I get closer to you.
What am I to do , The only thing I asked of you.
