Well, I try to do the right thing and it turns out wrong
I like to sing, I forget the song
Well, I don't know if that's bad or if it's good
I'm kinda stuck with it, I got the blues in the blood

Well, I love these ladies and I have to leave
When I go to Hades there'll be no-one left to grieve
I don't know if that's bad or if it's good
I'm kinda stuck with it, I got the blues in the blood

Well, I try to do the right thing and it turns out wrong
I love to sing, I forget the song
Well, I don't know if that's bad or if it's good
I'm kinda stuck with it, I got the blues in the blood

I don't know if that's wrong if it's right
I'm kinda stuck with it, I got the blues both day and
night
Well, I don't know if that's bad or if it's good
I'm kinda stuck with it, I got the blues in the blood
