Fever's got me burnin'  
Burnin', burnin' up  
Fever's got me burnin'  
Burnin', burnin' up

Fever's got me burnin'  
I feel the room is turnin'  
Fever's got me burnin' up  
I've overfilled my loving cup

Feel the desire  
Touch the fire  
Feel the desire  
Touch the fire

Fever's got me burnin'  
Fever's got me burnin' up  
Burnin' up, burnin' up

Fever's got me burnin'  
Burnin', burnin' up  
Fever's got me burnin'  
Burnin', burnin' up

Temperature is risin'  
The heat is tantalisin'  
Fever's got me burnin' up  
I've given in, not given up

Feel the desire  
Touch the fire  
Feel the desire  
Play with fire

Fever's got me burnin'  
Fever's got me burnin' up  
Burnin' up, burnin' up
