Man who waits is a man who don't go  
Man who hesitates is a man who don't know  
Man who lies, now, he don't live  
Man who cries is a man who don't give

So don't be silly, give all you've got

Man who runs is a man who can't walk  
Man who shouts ain't quite learned to talk  
Man who begs, now, he can't ask  
Man who grabs is a man who can't grasp

So don't be silly, give all you've got

Man who fails is a man who don't learn  
Man in jail don't pay no tax return  
Man in bed, now, he's too late  
Man who's dead don't get no joy rebate

So don't be silly, give all you've got
